NOTICE OF VIOLATIONS:

The City of Troy or its representatives shall perform routine inspections on the site periodically. If the site is found non-compliant with this permit or the soil erosion control ordinance, the Permit Holder/Signer shall be issued a Notice of Violation by hand, mail or fax. Notice shall include a description of all violations. **All violations shall be corrected within 5 days of the date of the Notice of Violation.**

MUNICIPAL CIVIL INFRACTION

A Municipal Civil Infraction shall be issued unless all items described in the Notice of Violation have been addressed within 5 days. The Municipal Civil Infraction must be paid within the prescribed time or a Municipal Civil Citation may be issued requiring a court appearance. In addition to the Municipal Civil Infraction the City of Troy or its representatives may enter upon the site to bring the site into compliance and the landowner shall be charged for all work performed

I (we) affirm that the above information is accurate and that I (we) will conduct the above described earth change in accordance with Part 91 Soil Erosion and Sedimentation Control, of the Natural Resource and Environmental Protection Act, ACT 451 of the Public Acts of 1994 of the State of Michigan, its corresponding rules, applicable local ordinances and the agreements accompanying this application.

This permit will remain open and active until the project site has been permanently stabilized with vegetation.
